2018 RESERVED Weekend Tee Time Record

With the privilege of a reserved tee time at Johnson Park on a weekend morning, your group will be expected to play in no more than 4 hours total. Be aware also, that many of the earlier groups desire an even faster pace for their round of golf. If your pace is slower than the 4 hour pace at some point, Johnson Park Staff may kindly request that your group increase its pace and you will be given a hole or so to catch up. It is our hope that all groups keep pace with the group in front of them, unless the group ahead has fewer players, so that every one of our guests can enjoy their round. If slow play persists week to week for the same group with no effort to improve, it may result in a loss of the reserved tee time without refund of reservation charge for the season.

*Fivesomes will be allowed but are expected to strictly adhere to the stated pace of play policy for foursomes and thus keep up with the group in front of them, NOT simply staying ahead of the group behind.

If players or whole groups cannot utilize their tee time, it is REQUIRED that a representative from the group call to cancel any reserved tee times no less than 24 hours in advance. Continual no shows and no calls may also result in the loss of the reserved tee time. Johnson Park does not dictate who plays in your reserved tee time, except when the tee time is not full (4 players). Johnson Park Staff reserves the right to fill your tee time if less than four cannot play in any given week and singles are waiting.

In the event of inclement weather or predicted bad weather, please call the course to CANCEL tee times. The course will NOT assume that players will not be playing. It is the responsibility of the Team Captain and Course Staff to communicate properly and in a timely manner in this difficult situation.

Everyone playing under your reserved tee time promises to respect the course, course property, carts, our staff and other guests. The Johnson Park Staff has the right to permanently revoke your reserved tee time and/or ban individual players if improper acts are witnessed and/or documented.

By signing this form you have read, understand and agree to all rules and regulations stated above.
