2019 PERMANENT WEEKEND TEE TIME FORM

All players will pay the going rate for these tee times based on season. Johnson Park reserves the right to change the rates at any time. A onetime reservation fee of \$160 will be charged to reserve one tee time.

Your group is expected to play in no more than 4 hours and 15 minutes. If time is tracking longer staff will kindly ask groups to speed up their pace and will be given proper time to catch up. It is our hope that all groups keep pace with the group in front of them unless it is a group of less number of players. If slow play persist it may result in loss of your tee time reservation without refund of reservation charge.

Fivesomes will be allowed but are expected to adhere to the stated pace of play policy.

If players or whole groups cannot make their tee time it is expected that a representative from the group call to cancel tee times no less than 24 hours in advance. Continual no shows and no calls will result in loss of reservation. Johnson Park does not dictate who plays in your reservation except when the tee time is not full. Johnson Park Staff reserves the right to fill your tee time if less than four cannot play in a week.

In the instance of bad weather or even predicted bad weather, please call the course to cancel tee times. The course will not assume players will not play. It is the responsibility of the Team Captain and Course Staff to communicate properly and in a precative manner.

Everyone playing under your reserved tee time promises to respect the course, course property, carts, staff and other guests. Staff has the right to revoke your reserved tee time and or players if improper acts are shown.

By signing this form, you have read, understand and agree to all rules and regulations stated.
